**GREAT NECK SCHOOL FOOD AND NUTRITION  
PROFESSIONAL ASSOCIATION**

**(2013-2016)**

IT IS AGREED THAT THE FOLLOWING PROVISIONS SHALL TAKE EFFECT AS OF JULY 1, 2013 UNLESS OTHERWISE INDICATED, AND CONTINUE IN EFFECT UNTIL JUNE 30, 2016.

1. Members of the Great Neck School Food and Nutrition Professional Association shall be compensated in accordance with the attached salary schedules.
2. The Board of Education shall continue to pay 50% of the premium for individual coverage and 35% for dependent coverage. Any increase in the cost of such insurance shall be considered a part of the employee's package for the year in which the increase becomes effective. Employees hired after July 1, 1987 will be required to work 25 hours per week to be eligible for Health Insurance. The Board of Education shall continue to pay the entire cost of the group health insurance program for those employees who are now participating without contributing.

***Note: New unit members hired on or after July 1, 2013 will be required to work 30 hours per week to be eligible for health insurance.***

3. Service increments for 10, 15, 20, 25, and 30 years of service will continue to be provided as shown on the attached salary schedules.
4. For all School Food and Nutrition Professional employees, vacation pay shall be granted in accordance with the following schedule:

Upon completion of 1 year of Great Neck service - one week's salary.

Upon completion of 5 years of Great Neck service - two week's salary.

For Cook Managers Only: Upon completion of 10 years of service - 3 week's salary.

Vacation pay shall be applied to eligible employees on the July 1st immediately following completion of the required number of years service.

Computation of Vacation Pay: Vacation pay shall be computed by multiplying the number of hours worked per day by the employee's hourly rate, as of June 30<sup>th</sup> of each school year. For example, one week's vacation would be computed as follows:

***Hours worked per day x 5 days x hourly rate as of June 30<sup>th</sup> =  
Vacation Pay***

Vacation pay is not applicable to new unit members hired on or after July 1, 2011.

5. Sick Leave

- a. Each staff member shall be allowed thirteen (13) days of absence (sick leave) with full pay during each school year, provided such absence is due to illness of the staff member, or sickness or death in the staff member's immediate family (immediate family includes husband, wife, son, daughter, mother, father, or other relative living in the home). Sick leave shall be cumulative. If a staff member is absent for one or more of the reasons above specified beyond the number of days standing to his credit, he shall automatically be dropped from the payroll for the period of such absence. NOTE: New unit members hired on or after July 1, 2011, shall be allowed up to ten (10) days of absence (sick leave) for the above-referenced absences. New unit members hired on or after July 1, 2013 shall be allowed up to seven (7) days of absence (sick leave) for the above referenced absences.
- b. The annual sick leave allowance shall be credited to the account of each existing staff member on September 1 at the rate of 1.3 days per month. For new unit members hired on or after July 1, 2011, the leave will be prorated at the rate of one day per month.

Unit members will receive a lump sum check equaling one day's pay for each five months of perfect attendance between September–January and February–June. Perfect attendance is defined as "not being absent for sick leave or workers compensation. However, an authorized personal leave will not affect this clause."

- c. Staff members quarantined in their place of residence, because of illness of some member of the household with a contagious disease, shall be granted leave of absence without salary deductions for the duration of the quarantine, or such other period as the Medical Inspector shall certify as requisite or prudent.
- d. Whenever a staff member incurs an on-the-job injury resulting in medical treatments and absence from work, he shall be entitled to receive his regular salary and fringe benefits up to a period of six months from date of injury without loss of accrued sick leave benefits, less any workers' compensation salary benefits paid for the period of absence.

*If a workers' compensation doctor determines that an employee is capable of returning to full duty and the employee is notified of such finding and does not return to work, the District may charge the employee's sick leave or drop the employee from the payroll, including all fringe benefits. In any event, when the employee's sick leave balance is exhausted the District may drop the employee from the payroll including all fringe benefits. Also, if the District's Workers' Compensation Carrier requests that an employee appear at a doctor's office for examination and the employee fails to keep the appointment, the employee may be dropped from the payroll immediately.*

- e. Staff members unable to report for work on a given day for any reason shall notify their Cook-Manager preferably the previous afternoon, but in any event not later than 8:30 a.m. on the day of absence. Staff members who start work between 6:00 and 8:00 a.m. should call their managers at 5:00 a.m. or the evening before, in order for that position to be covered by someone else. If employee does not call in by 8:30 a.m., said employee will not be paid for that day. Those absent more than one (1) day shall call in each day and be available for a return call and/or visit by a supervisor or administrator.
- f. The Superintendent or his designee has the right, in cases of absence, to request a doctor's certificate for absence of three (3) or more consecutive days, or the days immediately preceding or following the summer, Thanksgiving, Christmas, winter and spring vacation periods or scheduled or non-schedule holidays.
- g. Upon retirement from the Great Neck Schools a School Food and Nutrition Professional after attaining age 55 with at least 10 years of service in Great Neck shall be paid one days pay for each three days of accumulated sick leave up to a maximum of 90 days for 2013-2014, 2014-2015, and 2015-2016.

Personal leave may not be taken on days immediately before or after the summer, Thanksgiving, Christmas, winter and spring vacation periods and scheduled or non-scheduled holidays, except in emergency situations approved by the superintendent or his designee. 10. The work year for School Food and Nutrition Professional workers is 182 days.
